

OKLAHOMA TAX COMMISSION

MOTOR VEHICLE
DIVISION

RUSS NORDSTROM
DIRECTOR
405-521-2519

September 1, 2011

To All Jurisdictions:

Beginning November 1, 2011, Oklahoma will issue a “**Rebodied**” certificate of title to vehicles meeting the following definition (47 OS § 1102):

a vehicle which has been assembled using a new body or new major component which is of the identical type as the original vehicle and is licensed by the manufacturer of the original vehicle and other original, new or reconditioned parts. For purposes of this paragraph, “new body or new major component” means a new body, cab, frame, front end clip or rear end clip, and which is not a salvage, rebuilt, or junked vehicle as defined by paragraph 1, 2, or 5 of subsection A of Section 1105 of this title, and for which the Tax Commission has assigned or will assign a new identifying number.

Oklahoma **Rebodied** Vehicle certificates of title will be a distinctive color (yellow), display the year, make and model of the originally manufactured vehicle which has been rebodied. As a condition of titling as a **Rebodied** vehicle, a new identification number (VIN) will be assigned by the Oklahoma Tax Commission and must be affixed to the vehicle. The face of the title will reflect “**REBODIED**”, as well as the notation:

This vehicle has been assembled with new major components licensed by the original manufacturer.

A sample certificate (absent the above notation) has been included with this correspondence.

Rebodied will reflect as a brand on all subsequent Oklahoma titles issued to the vehicle – including Salvage, Rebuilt or Junked title certificates – as will the referenced explanatory notation. The **Rebodied** designation will be reported to **NMVTIS** as an Oklahoma title brand.

Please direct questions regarding the above, or any other Oklahoma vehicle title or registration related issue, to the Motor Vehicle Division of the Oklahoma Tax Commission at (405) 521-2519, or via email at otcmaster@tax.ok.gov.

Respectfully,

Russ Nordstrom, Director
Motor Vehicle Division
